

Climate and Environment Mainstreaming and the Green Economy to achieve the Millennium Development Goals

Poverty Environment Partnership (PEP) Meeting Capital Hotel, Lilongwe, Malawi, 1-5 March 2010

Co-organised by DFID, OECD, UN and World Bank in partnership with the Govt of Malawi

DETAILED AGENDA FOR DAY 3 – GREEN ECONOMY (version Feb 10) Co-organised by IIED and DFID

Day 3: Wednesday 3rd March: Green Economy – a way to accelerate MDG achievement?

Coordinator for all sessions in Day 3: steve.bass@iied.org (cc: ian-curtis@dfid.gov.uk)

	<p>Objectives of the Day: [NB these build directly recommendations of PEP-14]</p> <ol style="list-style-type: none">1. To share information on the variety of ‘green economy’ (GE) initiatives, their aims, drivers, opportunities, and potentials2. To consider the implications of GE concepts and initiative for development assistance – as sources of information, policy ideas, funds, etc3. To explore how to improve the social, economic and environmental value of GE approaches in developing countries e.g. improving voice and inputs from Southern countries, poor groups, SMEs, informal economy, and civil society; addressing over-and under-emphasised components of the GE agenda4. To identify potential roles for PEP in shaping, promoting and implementing GE approaches
8.45	Summary of Day 2 (World Bank and Development Agencies’ Strategies)
9.00	<p>Session 3.1: Diverse approaches to Green Economy – initiatives, their drivers, and approaches in different countries</p> <p>Chair: Ian Curtis, DFID</p> <ul style="list-style-type: none">• Overview presentation – mapping the emerging green economy initiatives: rationales, drivers, objectives, measures, and components; how does it all add up? [Steve Bass, IIED +/- G Ayre DFID, 15 minutes]• Developing Countries – GE ‘glimpses’ evident in current gov, business, civil society activity; and future needs [30 minutes; 3x 10-min presentation+clarification. May include e.g. low-carbon energy and infrastructure, better NR use, green jobs, enabling conditions]<ul style="list-style-type: none">○ ‘Pat’ Shrashtant Patara, Development Alternatives (India)○ Wilfred Nyangena, Environment for Development Centre (Kenya)

	<ul style="list-style-type: none"> ○ African presenter with strong business, energy and/or economic perspective (Alice Ruhweza can't make meeting); any ideas? David Smith advice?) <ul style="list-style-type: none"> ● OECD countries – a donor panel response to the developing country presentations [30 minutes for panel and plenary discussion. Panelists to cover (1) responses to previous developing country panel, and (2) very <i>brief</i> updates from panelists on donor strategy <ul style="list-style-type: none"> ○ Anuschka Hilke, BMZ, Germany ○ Merete Villum Pedersen, Danida, Denmark ○ Tamara Levine, OECD ● Buzz session – what is (a) underemphasised and (b) overemphasized in 'green economy' work so far? [15 minutes in groups of 3; cards filled/collected]
10.30	Coffee/Tea break
11.00	<p>Session 3.2: Putting the 'green' back into Green Economy: going beyond climate change/low-carbon to making use of ecosystem services and natural resources</p> <p>Chair: Olof Drakenberg, Sida</p> <ul style="list-style-type: none"> ● NRs: from resource curse to resource blessing: natural wealth providing routes out of poverty; examples, their enabling conditions and constraints. [15 mins; World Bank – Glenn-Marie Lange, World Bank] ● Ecosystem valuation and green accounting: where is it appropriate; useful practice; and how to get it done [15 mins presentation Andrew Seidl IUCN] ● Working groups on: How to put 'green economy' on a level playing field with 'old economy' – sharing experience on useful ways to get ecosystem and NR economics into policy and investment decisions. [60 mins; groups of 10-15 discuss and suggest 2-3 best-bets; pre-determined facilitator / rapporteur for each group]
12.30	Lunch break
1.30	<ul style="list-style-type: none"> ● Feedback from the experience-sharing groups: How to put 'green economy' on a level playing field with 'old economy' [30 minutes; Olof Drakenberg chair]
2.00	<p>Session 3.3: Green Economy Market Place</p> <p>For participants to share ideas. Begins with 90 seconds introduction from each of the following as advert; then two rounds of 'market place'. Sit with chosen group for 20 mins (verbal, no .ppt); then a second group for a further 20 mins – i.e. each presenter presents twice</p> <ul style="list-style-type: none"> ➤ Green Economy Coalition and its upcoming regional consultations [Tom Bigg, IIED] ➤ Green Jobs, ILO and DA India ['Pat' Shrashtant Patara, DA] ➤ One Planet Economy [Tim Geer, WWF] ➤ Green stimulus – assessing short and long-term effects [Glenn-Marie Lange, WB] ➤ Possible others if space allows?
