

## **CURRICULUM VITAE**

**Name:** Pham Khanh Nam  
**Date of birth:** 1975  
**Gender:** Male  
**Citizenship:** Vietnamese  
**Marital Status:** Married, 2 children  
**Address:** School of Economics  
University of Economics Ho Chi Minh city (UEH)  
1A Hoang Dieu street, Phu Nhuan district,  
Ho Chi Minh City, Vietnam  
**Tel:** +84 (0)8 3 8448 222  
**Email:** [khanhnam@ueh.edu.vn](mailto:khanhnam@ueh.edu.vn); [nam.pham@eepsea.net](mailto:nam.pham@eepsea.net)

### **Research interests:**

Behavioral and experimental economics, environmental economics, health economics

### **Employments**

- Since 2017: Director, Environment for Development center in Vietnam (EfD-Vietnam)
- Since 2016: Director, Economy and Environment Partnership for Southeast Asia (EEPSEA partnership)
- Since 2019: Dean, School of Economics, UEH
- Since 2011: Academic Director
  - Phd program in Development Economics, UEH
  - Vietnam – the Netherlands project for M.A programme in Development Economics
- Since 2000: Lecturer, School of Economics, UEH

### **Professional affiliations**

- 2019 – now: Scientific secretary, Scientific Committee in Economics – Vietnam National Foundation for Science and Technology Development (NAFOSTED)
- 2018 – now: Member, Scientific Committee – Ho Chi Minh City’s Food Safety Management Authority
- 2016 – now: Senior Research Fellow, Environment for Development Initiative, University of Gothenburg
- 2016 – 2018: Member, Scientific Committee in Economics – Vietnam National Foundation for Science and Technology Development (NAFOSTED)
- 2016 – 2018: Member, Behavioural Insights Research Committee - Green Growth Knowledge Platform

## Degrees

- PhD in Economics at University of Gothenburg, 2011. Title: Prosocial Behaviour, Social Interaction and Development: Experimental Evidence from Vietnam (Supervisors: Fredrik Carlsson and Olof Johansson-Stenman)
- Master of Arts in Development Economics at the Vietnam – the Netherlands project for M.A programme in Development Economics, UEH, 1999
- Bachelor in Economics, UEH, 1997

## Publications
