

CURRICULUM VITAE –GUNNAR KÖHLIN

Address work:

Environment for Development, School of Business, Economics and Law, University of Gothenburg,
Vasagatan 1, Box 645, SE 405 30 Gothenburg, Sweden

Phone: 46-(0)31-786 4426

Mobile: 46-(0)705350508

E-mail: Gunnar.Kohlin@efd.gu.se

Education:

Executive education, Stanford University, August 2015.

University of Gothenburg, Ph.D. in Economics, 1998.

University of Toronto, M.A. in Economics, 1988

University of Gothenburg, B.A. in Economics with minors in Anthropology, Development studies,
Economic geography, English, Mathematics and French, 1987.

Uppsala University, Russian, Eastern European studies, 1984.

Training courses at the Sida's training center in Uppsala, 1986 and 1988.

The Swedish Army Language School, 1983-84.

Languages: Swedish and English. Familiarity with French, German and Russian.

Employments:

Director, Environment for Development (as separate unit), University of Gothenburg, 2019 – to date

Associate Professor, Department of Economics, University of Gothenburg, 2007 – to date

Researcher, Department of Economics, University of Gothenburg, 2003 - 2006.

Acting Associate Professor, Department of Economics, University of Gothenburg, 2000 – 2002.

Researcher, Department of Economics, University of Gothenburg, 1998 – 1999.

Assistant researcher, Department of Economics, University of Gothenburg, 1996 – 1998.

Graduate student position, Department of Economics, University of Gothenburg, 1992 – 1996.

Research Assistant, Policy and Research Division, Environment Department, World Bank, June -
September 1991.

Research Assistant, Department of Economics, University of Gothenburg, 1990-1992.

Bilateral Associate Expert in Integrated Rural Development Program in Wollo, Ethiopia, Sida, Oct.
1988 - Oct. 1989.

Main research and teaching fields:

My research focuses on management of natural resources and environmental policy in developing countries. Methodologically, I use non-market valuation techniques, household production models and impact evaluation techniques. Applications include evaluations of tenure interventions affecting forestry and agriculture in China, India, Ethiopia, Kenya and Zimbabwe; domestic energy demand, adoption studies and implications on agricultural productivity; green growth and application of policy instruments.

A. Peer reviewed articles:
