

Curriculum Vitae for Yusuph John Kulindwa (PhD)

1.

2. 1.0 PERSONAL PARTICULARS:

1.1 Personal History

1.1.1 Surname:	Kulindwa
1.1.2 Other names	Yusuph John
1.1.3 Sex	Male
1.1.4 Nationality:	Tanzanian
1.1.5 Marital status:	Married

1.2 Contact Address

Postal address:	Department of Economics and Statistics, Moshi Co-operative University (MoCU) 06 Sokoine Road, 25121 Mfumuni P. O. Box 474 Moshi, Tanzania
Mobile phone:	+255 714001959 OR +255 622520912
Website	www.mocu.ac.tz
E-mails:	yusuphkulindwa@gmail.com yusuph.kulindwa@mocu.ac.tz yusuphkulindwaj@yahoo.com ykulindwa@unilus.ac.zm
ORCID:	https://orcid.org/0000-0003-0998-6163
Google Scholar:	https://scholar.google.com/scholar?hl=en&as_sdt=0%2C5&q=Yusuph++J

1.3 Profile Summary

Prof. Yusuph J. Kulindwa is an Associate Professor at Moshi Co-operative University (MoCU).

He is currently on a one-year sabbatical at the University of Lusaka in Zambia. He received his Ph.D. in Economics from a collaborative Ph.D. program at Dar es Salaam University, Tanzania, and Chalmers University, Sweden, in November 2017. His research focuses on Resource Economics, Energy Economics, Environmental impact assessment research, Business marketing research and Behavioral Economics and Impact evaluation studies. He is a team member and coordinator in the Pedagogy result area at MoCU in the Sustainable Employability through Innovative Pedagogy of Higher Education Institutions project, supported by the Finnish Ministry of Foreign Affairs 2020-2024. Prof. Kulindwa has

experience in international research projects, including working with Professor Saudamini Das of Institute of Economic Growth, Delhi India on the impact of externally funded climate adaptation projects on women's empowerment, a funded project by Sida Sarec, as Co-PI in 2022-2024. Prof. Kulindwa has involved in the project, namely, Higher Education Partnership for Climate Change Mitigation through Socio-technical Transition, funded by the ministry for foreign affairs of Finland in in 2020-2024. Currently working with Professor Kosenius, Anna-Kaisa of University of Helsinki on Valuation and willingness to participate in mangroves restoration: A choice experiment on a gender perspective in Tanzania. He has published widely on environmental economics, business marketing research, energy economics and sustainable resource management. His experience includes teaching and supervising research work for students. He is a research fellow of the EfD-Tanzania. He also serves as an internal and External Masters and Ph.D. examiner at the University of Johannesburg, Mzumbe University and Moshi Cooperative University, as well as and peer reviewer of the journals called Energy Efficiency– Springer, Scientific Reports-nature, Discover Agriculture- Springer nature, Discover Sustainability- Springer nature, Human Ecology- Springer nature, Modern Finance journal, African J. of Economic and Sustainable Development – Inderscience, and Clean Energy, Applied Economics Letters – Taylor & Francis, Journal of Primary Care and Community Health-SAGE, and Sustainability– sciepublish.com.

Prof. Kulindwa's previous relevant trainings and courses during PhD include:

- East Africa Impact Evaluation Workshop and Evidence Summit, 12 to 14th July 2016, three days training at the University of Dar es Salaam, Tanzania
- Empirical analysis using a randomized evaluations approach on social programmes, 23rd to 29th August 2014, a one-week workshop in Pretoria, South Africa by the Swedish International Development Cooperation Agency (SIDA) and IDRC, Canada
- Specialization PhD courses in Environmental Impact Assessment, Climate Modelling and Energy Systems, Policy Instrument Design and Development Microeconomics (Courses employed experimental and non-experimental methods), December 2013 to July 2014, Specialization PhD courses offered at the University of Gothenburg School of Business, Economics and Law
- Joint facility for the Elective courses: Health Economics, Environmental Economics and Econometrics, June to November 2011, African Economic Research Consortium (AERC), Nairobi

2.0 Education

2017 PhD in Economics (environmental Economics). Title: The potential of tree planting for sustainable village wood-energy production and consumption in developing countries: the case of Tanzania. PhD awarded

at the University of Dar es Salaam (A collaborative PhD programme between the University of Dar es Salaam and Chalmers University of Technology)

2008 Masters of Science in Agricultural Economics awarded by Sokoine University of Agriculture

2.1 Lecturing experience

Course responsibility:

- Micro-economics (undergraduate and Master courses – 2007-2010, 2014 -present),
- Environmental Economics and Agricultural Economics (Undergraduate and Master courses – 2007-2010, 2017- 2022- present),
- Development Economics (Undergraduate and Master courses– 2007-2010, 2017- 2022- present)
- Research methods and Business Market management (Undergraduate and master courses -2008-2010, 2016-present),
- Managerial economics (Undergraduate and Master course 2008-2010, 2016, 2017, 2021-present),
- Environmental impact assessment and Economic Research methods (Master courses 2020 -present).

3.0 Supervision of Master's and PhD students

3.1 PhD students

- 6.1.0 Omary Ally (2019-2024): “The Effect of treasury single account on firm's performance: “Evidence from Banking Sector In Tanzania” (with Prof Lucas Mataba).
- 6.2.0 Nanzia Florent Mmbaga (2020-2024): Energy consumption, Human capital, and Economic growth nexus: Evidence from East African Countries” (with Prof., Kazungu)
- 6.3.0 Agnes Boniface Mtui (2019-): “Potential of incubators on Entrepreneurship Development: Evidence from Incubator roles, Incubators choice, Incubator networks, and Business accelerator in Tanzania”
- 6.4.0 2019-2024): Japhet M. Mgema. Potentials of Co-operative Societies on tree planting behavior: Empirical evidence from smallholder farmers in Kilimanjaro and Tabora Regions, Tanzania.

Master's degree students

- 3.2.1 Leonard Tilubuzya (2024). Factors Influencing the Quality of Financial Reporting in Selected Local Government Authorities in Tanzania.
- 3.2.2 Emmaluice Emmanuel Mkony (2024). Factors Affecting Human Resources Succession Planning in Private Sector: A Case of Jubilee Health Insurance Company in Dar Es Salaam Tanzania.

- 3.2.3 Samwel Mhesi (2023). Drivers for financial performance and stability: a case of local and foreign commercial banks in developing countries.
- 3.2.4 Rose Chimilila (2023). Determinant for financial performance: a case of commercial banks in Tanzania
- 3.2.5 Rehema Nyunza (2023). The significance of key drivers of quality financial reporting: a case study of EWURA, Tanzania.
- 3.2.6 Imani Ngemela (2023). The effects of gross domestic product on non-performing loans in developing countries: a case of Tanzania commercial Banks
- 3.2.7 Leonard Tilubuzya (2023). Evaluation of factors influencing the quality of financial reporting in selected local government authorities in Tanzania
- 3.2.8 Cyprian Jonathan (2024). Impact of Financial Factors on Small and Medium Enterprises at Kariakoo Market, Dar es Salaam
- 3.2.9 Haika Mawalla (2023). Analysis of factors Influencing financial performance in the Context of treasury single account: Evidence from community and Commercial banks in Tanzania.
- 3.2.10 Nahimana Solange from Rwanda (2023). Influence of consumers' behavior on reverse logistics activities; evidence from plastic waste in Tanzania and Rwanda
- 3.2.11 Assega Kennedy from Uganda (2023). Green supply chain management practices and performance of firms in East Africa
- 3.2.12 Dinah Muteteshe from Rwanda (2021). "Procurement of perishable goods in supermarkets and household farmgate price: the case of Tanzania and Kenya.
- 3.2.13 Daniel Nchele from Tanzania (2022). "Spillover effect of Large Farm on smallholder outgrower farmers in developing Countries. Evidence from avocado farming in Kilimanjaro, Tanzania"

4.0 PhD Viva Voce Panelist and External Examiner

- 7.1 Nyangigile (Sept 2018): Socio-Economic factors influencing Livestock investment Decisions for Small Holder Farmers in Mbulu and Bariadi Districts, Tanzania,
- 7.2 Victor Emilian Shirima (Nov 2020): Performance Measurement System among Primary Agricultural Marketing Co-operative Societies in Rommbo District, Tanzania.
- 7.3 Meshack Loisujaki siwandenti (2021): Determinants for vendor's participation in public electronic procurement system: A case of Ilala District, Tanzania.
- 7.4 2021 to Date External Examiner, IAA

5.0 Research interests

- 5.1 Business economics and marketing
- 5.2 Environmental Economics and Environmental Impact Assessment

- 5.2 Energy economics,
- 5.3 Experimental economics
- 5.4 Behavioural Economics and Marketing

6.0 Articles in peer-reviewed journals

8.0 Conference Papers

- 8.1 Yusuph j,Kulindwa (2024) A systematic review of clean cooking and to whom does the clean cooking agenda belong? Empirical evidence from disruptions in cultural household cooking behavior in East Africa. Presented in Spain on the 2nd international summit on Non-Renewable and Renewable Energy. ISNRE2024. https://www.spectrumconferences.com/cms/pdfs/ISNRE2024_abstract_book.pdf
- 8.2 Yusuph j,Kulindwa (2024). Our Students Cooperative for the Future: The Role of Student Collaboration in Sustainability-Oriented Innovation in Supporting SMEs around universities. Co-operatives for Sustainable Development Conference held in Tanzania from 31st July to 2nd August 2024.
- 8.3 Yusuph j,Kulindwa (2024). A comprehensive analysis of clean cooking and to whom does the clean cooking agenda belong? Empirical evidence from disruptions

- 8.3 Yusuph j,Kulindwa (2024). Does Marketing through the Use of Social Media Influence the Sustainability of Business in a Time of Crisis Like COVID-19?". Evidence from SMEs in SACCOS in Tanzania. The paper presented at the International Conference on Business and Innovation (ICBMI2024) from September 26th to 27th at the Lemigo Hotel in Kigali, Rwanda.
- 8.4 Yusuph j,Kulindwa (2023). A systematic review of clean cooking and types of energy use: empirical evidence from disruptions in cultural household cooking behaviour in East Africa. Presented in London at an International summit on Non-Renewable and Renewable Energy. ISNRE2023.
<https://www.spectrumconferences.com/cms/pdfs/Renewable-Energy-2023-Abstract-Book.pdf>.
- 8.5 Yusuph j,Kulindwa (2023) "Impact of more efficient biomass heating technologies during COVID-19A. A systematic review of cooking stove technology and clean energy consumption: The Sustainable Energy Transitions Initiative Annual Workshop during 15-16 June 2023
- 8.6 Yusuph j,Kulindwa (2022) Tree planting programs and its Spillover effects on household trees planting for fuelwood: The evidence from forest-dependent households in Tanzania, East Africa. The conference organized by the EfD Global Hub at the University of Gothenburg. This year's local host took place at Makerere University's EfD Makerere Center during 21-26 September 2022.
- 8.7 Kulindwa, Y. J., Ahlgren, E. O. (2019) Perceptions of households about tree planting for wood energy production in Tanzania. The conference held during 14 - 15March 2019at IAPE '19, Oxford, United Kingdom
[http://iapeconference.org/Downloads/Proceedings/Articles%20\(Abstracts%20&%20References%20List.pdf](http://iapeconference.org/Downloads/Proceedings/Articles%20(Abstracts%20&%20References%20List.pdf)
- 8.8 Kulindwa, Y. J., Ahlgren, E. O. (2019) ''Energy Systems Conference, 21st Century Challenges'', held at Westminster 2016, London'' (*The paper presented: Driving forces for households' adoption of improved cooking stoves*)
- 8.9 Kulindwa, Y. J., R., Ahlgren, E. O. Bångens, L. Hepelwa, A. (2015). International Research Conference on Business, Economics and Social Sciences, IRC-2015. May 23-24, 2015. Bangkok, Thailand. *The International Organization for Research and Development*ISSN: 2410-5465.

9.1 Team leader consultancy on EWURA'S regulatory intervention in the petroleum sector (contract No. TR160/2023/2024/C/05. July 2025.

9.3 Lead consultant on environmental and social impact assessment of Impala Hotel commissioned by impala Investment Company. The contact person: Impala Hotel Manager (phone No. +255755515738) of Moshi branch in 2012.

9.4 Consultant team member on Environmental Impact Assessment of upgrading the railway line from Dar es Salaam to Isaka on the Core Corridor to Mwanza from Meter Gauge to Standard Gauge commissioned by Reli Assets Holding Company (RAHCO) and funded by the World Bank. The Contact Person: Manager of Corporate Affairs, Reli Assets Holding Company Limited, Dar es Salaam July to December, 2011.

9.5 Consultant team member on Environmental Impact Assessment on the establishment of Kisarawe Freight Station-CFS (an Inland Container Terminal) commissioned by Tanzania Ports Authority (TPA) to Japhet Mbura and funded by the World Bank. Contact Person: Lead Consultant (phone No. +255763467300) June, 2010.

10. Fellowships and Research Funding Awards

- 130. Awarded a sabbatical position of research and lecturing at University of Lusaka in the school of Business, Economics and Management effective 3rd February, 2025,
- 131. 2023/2024 awarded a research project as a Co-PI on the Impact of Adaptation Fund-funded Coastal Adaptation Projects on Women's Empowerment and Natural Resources management in Coastal areas: A Comparative Study of India and Tanzania by Sida/Sarec
- 13.2 In 2013/2014 awarded a scholarship to undertake specialization PhD course(s) in Climate Modelling and Energy systems, Natural Resource Economics, Policy Instrument Design and Development Microeconomics (Department of Economics University of Gothenburg) – Sida/Sarec
- 13.3 In 2012 awarded a scholarship by Sida/Sarec under sandwich PhD programme between the University of Dar es salaam, Tanzania and Chalmers University in Sweden in the Sida 2009-2014 project of Energy for rural development - an interdisciplinary study on the role of energy system structures in promoting rural enterprises
- 13.4. In 2011 offered a partial scholarship to attend to the joint facility for PhD elective courses in Nairobi, Kenya - AERC organization.

14. 0 Computer Literacy

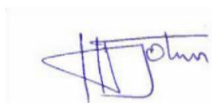

- | | |
|----------------------------|-----------|
| 15.1 Microsoft Word: | Excellent |
| 15.2 Microsoft PowerPoint: | Very good |
| 15.3 SPSS: | Excellent |
| 15.4 Excel: | Very Good |
| 15.5 STATA | Excellent |

15.0 LANGUAGES

- | | | | |
|------|-----------|---|--|
| 16.1 | English | - | Good in speaking, reading and writing. |
| 17.2 | Kiswahili | - | Good in speaking, reading and Writing. |
